ENTRACTE – CECILIA Joint Climate Workshop

Dublin, Ireland

12th and 13th of September 2013

To be held at the [Radisson Blu St. Helen's Hotel Dublin](#)

This workshop will be held in Dublin, Ireland on the 12th and 13th of September as a joint workshop of the ENTRACTE and CECILIA FP7 projects. The days will be focused upon gaining insights from key stakeholders as well as enabling a structured interaction between researchers, stakeholders and policy makers on a range of subject matter. Key topics to be addressed as part of the meeting will include recent developments in European Climate Policy, a contemporary review of the ETS performance and prospects, and finally some detailed reflections and discussion on the ETS and Non-ETS sectors at member state level. The event is being hosted by EnvEcon Limited of Dublin who are part of the ENTRACTE team.
